Productions

Massive Pro AV provides unforgettable productions

Massive Pro AV has years of experience in providing technical support and realising professional events, both in Rotterdam and throughout the country. We not only offer innovative technical solutions, but also provide complete productions, including stage construction, decoration, promotional materials and catering. With our team of experienced production managers, our own transport and a well-stocked inventory of high-quality audiovisual equipment, we have everything we need to make your event a success.

In addition, we work with an extensive network of regional professionals who guarantee perfect performances throughout the Netherlands. Massive Pro AV is the reliable partner for your event, wherever you are. When you choose Massive Pro AV, you can rely on a trouble-free collaboration. Our approach is simple and transparent: we start with an introductory meeting without obligation, in which we map out your wishes, budget and needs. Based on this, we draw up a customised project plan. If you are enthusiastic about our proposal, we will get to work right away! The details of our services will be completely tailored to your wishes as a client – from the small details to large-scale productions.

Fully Managed Productions

At Massive Pro AV, we take care of the entire production of your event, from A to Z. We start with a detailed project plan, in which we carefully map out your wishes, needs and budget. What do you need to make your event a success? Together, we answer these essential questions in a personal consultation. After that, we will ensure the flawless production and management of your event, down to the smallest details. Our experienced teams guarantee a carefree and professional organisation, so that you can fully concentrate on the success of your event. Afterwards, we conduct a thorough final evaluation, in which we look back on the course of your event together and discuss how we can further improve the experience.

Experienced Stage Manager and Team

With Massive Pro AV, you will have an experienced stage manager at your disposal who will be in complete charge of the stage from the sound check to the final song. From detailed planning to technical coordination of the equipment and the stage, we will ensure that everything is perfectly coordinated, so that the artists enter the stage at the right time and the event runs smoothly.

Our stage manager works with a team of professional stagehands, which we can also arrange for you if desired. This ensures a smooth and professional execution of the entire stage management. Do you have questions or would you like more information? Feel free to contact us for an informal chat!

Audio – Crystal Clear and Powerful Sound

We work with top brands such as FBT, JBL, TR and Allen & Heath and offer a wide range of audio equipment, including speakers, subwoofers, mixing consoles and microphones. Whether you are organising a small event or a large concert, we provide the right audio technology for an impressive sound experience.

Backline Support – Essential Equipment for Musicians

We rent out various amplifiers, accessories and percussion instruments to support your backline. Whether it's a band performance or a festival, we provide reliable equipment that perfectly matches the needs of musicians.

Cooling – Keep your head cool

Cooling is essential during hot summer days. We rent out fans in various sizes, from small units to large stage fans. This not only ensures comfort for artists and audience, but also creates a dynamic visual effect on stage.

DJ Gear – Professional Equipment for DJs

We offer the best gear for DJs, including the Pioneer CDJ2000 Nexus2 and CDJ3000 players, as well as the iconic Technics SL1200mk2 turntable for vinyl enthusiasts. All our equipment is available as a DJ set, so your DJ can get started right away. With our equipment, you are assured of a flawless set and the ultimate DJ experience.

Lighting & Special Effects – Create the Perfect Atmosphere

With our stroboscopes, fog machines, spotlights and other special effects, you can bring any stage to life. Whether you want an intimate atmosphere or a spectacular light show, we offer the right solutions to make your event unforgettable.

Rigging & Stages – From Small to Large

We offer small, medium and large stages for hire, including set-up and dismantling. Our team will provide a sturdy and safe construction, including the installation and adjustment of lighting and special effects, perfectly tailored to your event.

Video

Sharp Image for an Impressive Experience

At Massive Pro AV, we understand that image plays a crucial role in every event. Whether it's a large-scale festival, a company presentation, or a live broadcast, high-quality video technology ensures a clear and compelling experience for your audience. We offer a wide range of video solutions, from LED screens and projection systems to large LED walls and advanced video mixing.

Whether you want to enhance a stage event, share important information, or offer your audience an optimal viewing experience, we have the right equipment and expertise to make it happen.

Our LCD screens, LED displays, and beamers are not only perfect for traditional events but also for **immersive media installations**, creating engaging environments that captivate audiences. Whether it's an interactive exhibit, a dynamic stage backdrop, or a fully immersive digital art experience, our cutting-edge technology ensures seamless integration and stunning visuals.

With Massive Pro AV video solutions, you are assured of a razor-sharp and impactful visual presentation.
